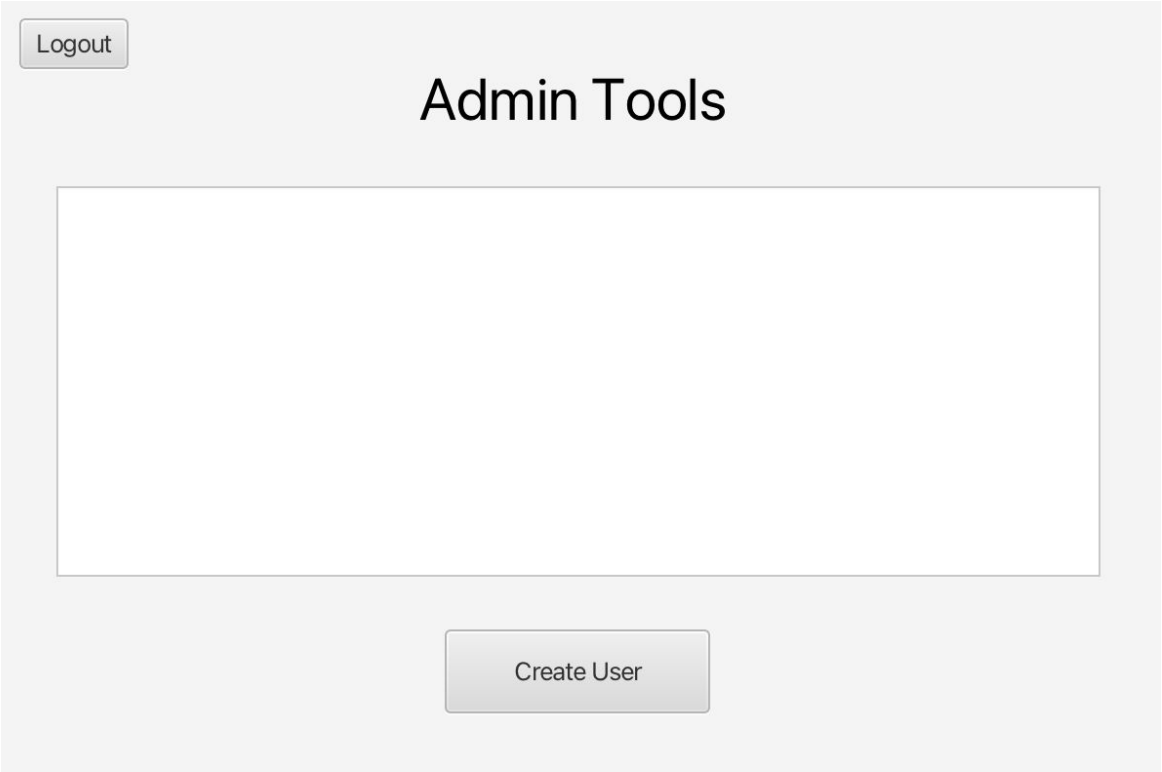
Login Page [1]

“admin” → [2]

other username → [4]

Admin Homepage [2]

[1]



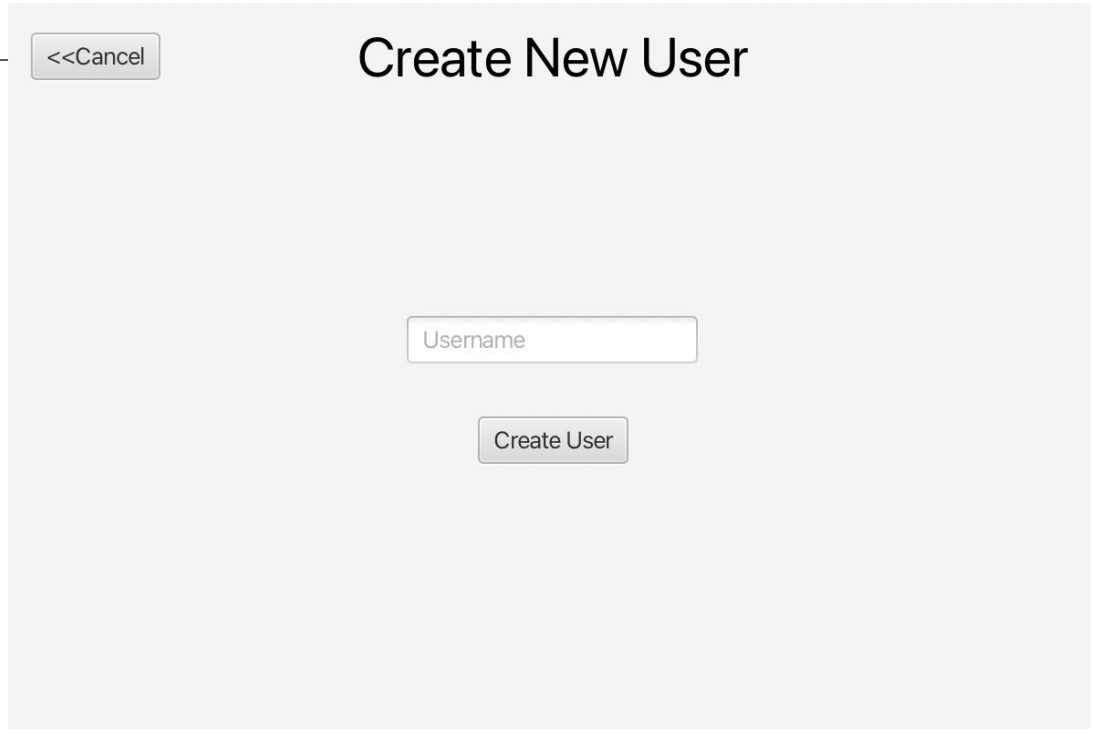
Blank space will display list of users.

Selecting a user will delete them, with a pop-up to confirm.

[3]

Create User [3]

[2] ←



Popup to confirm addition.

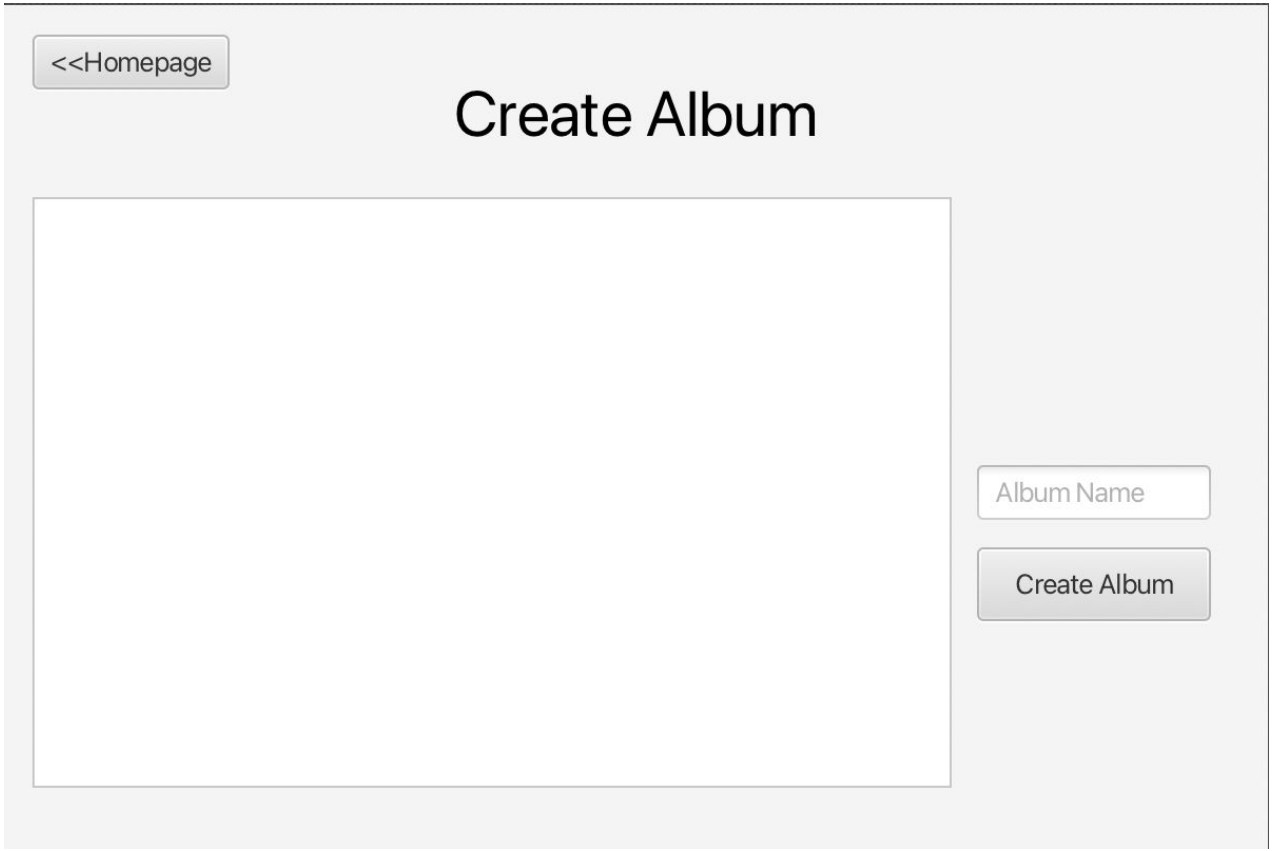
→ [2]

Non-Admin Homepage [4]

Blank space will display the stock album and the albums owned by each user.

Create Album [5]

[4] ←



Blank space will display photos to select and add to album.

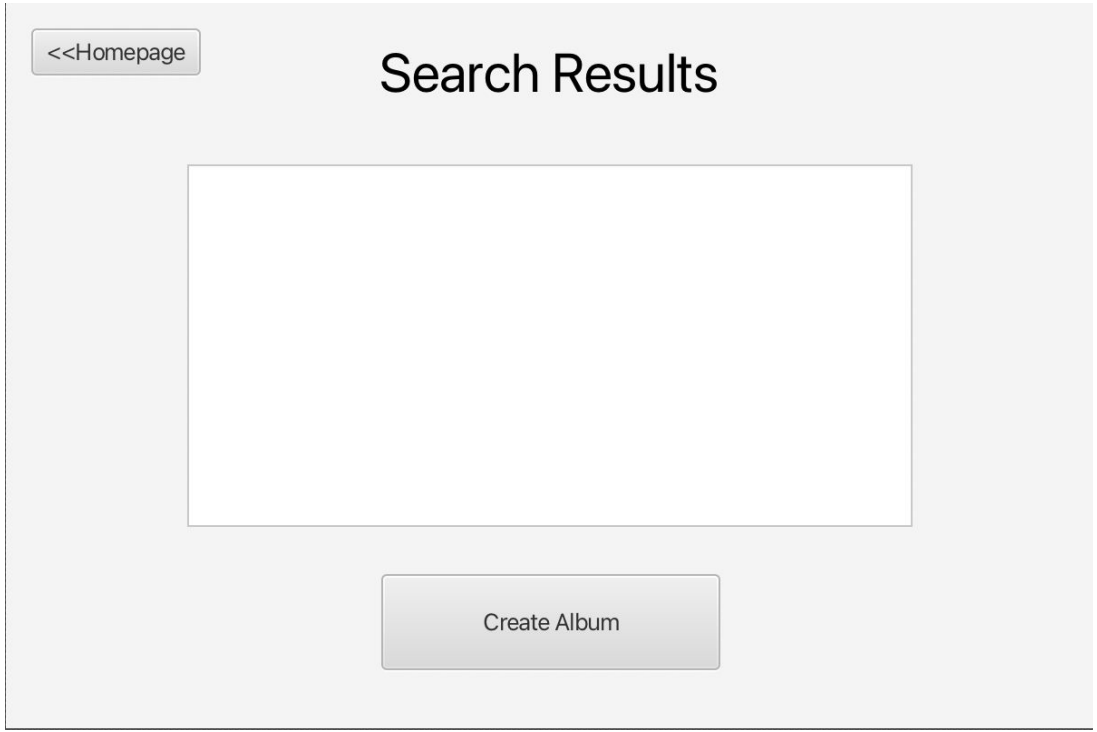
If coming from [6], this field will be filled in with search results.

Popup to confirm addition.

→ [4]

Search Results [6]

[4]

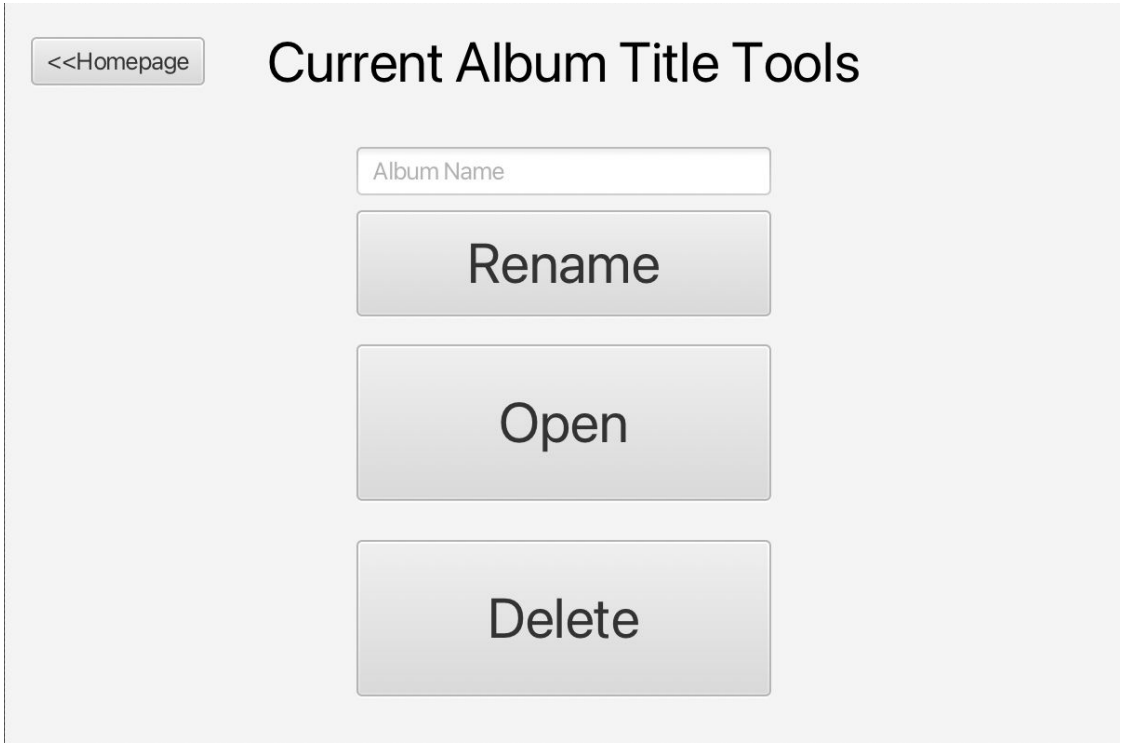


Blank space will display search result photos.

[5]

Select Album [7]

[4]



Rename in text field.
Stay in window.

[8]

Popup to confirm deletion.

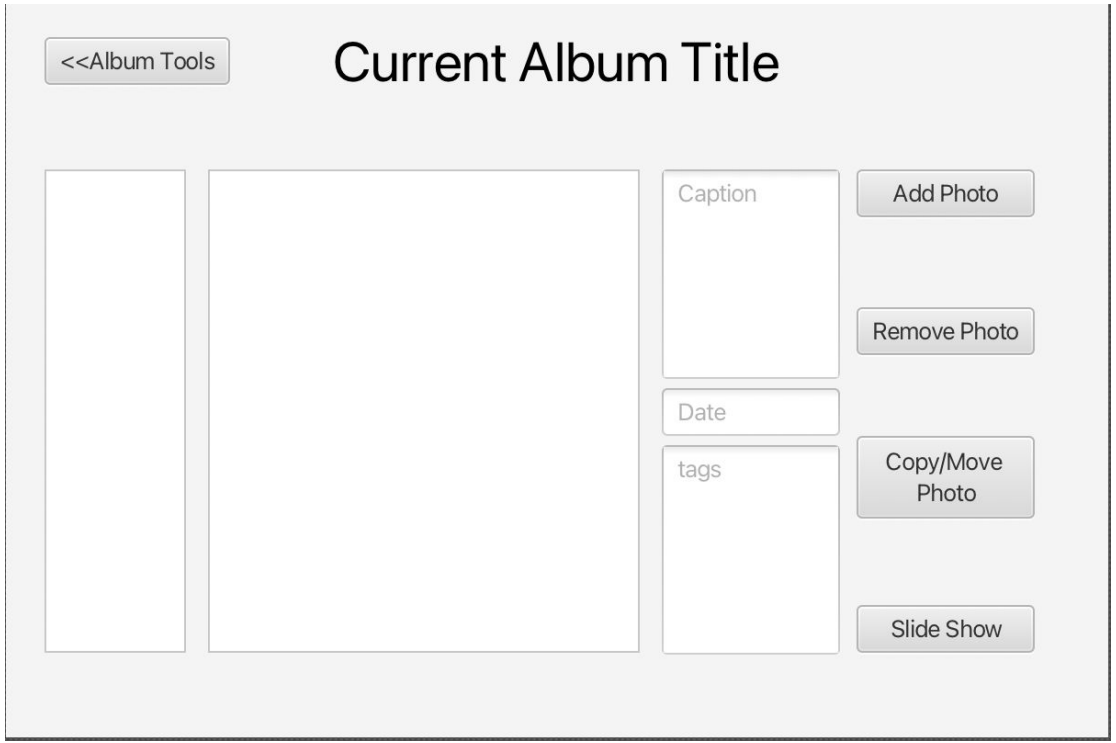
[4]

Album [8]

Blank space to the left will display thumbnails of photos in album.

Blank space in the middle will be blank initially. Once the user selects a photo it will be displayed there, with its corresponding caption, date, and tags.

[7]



[9]

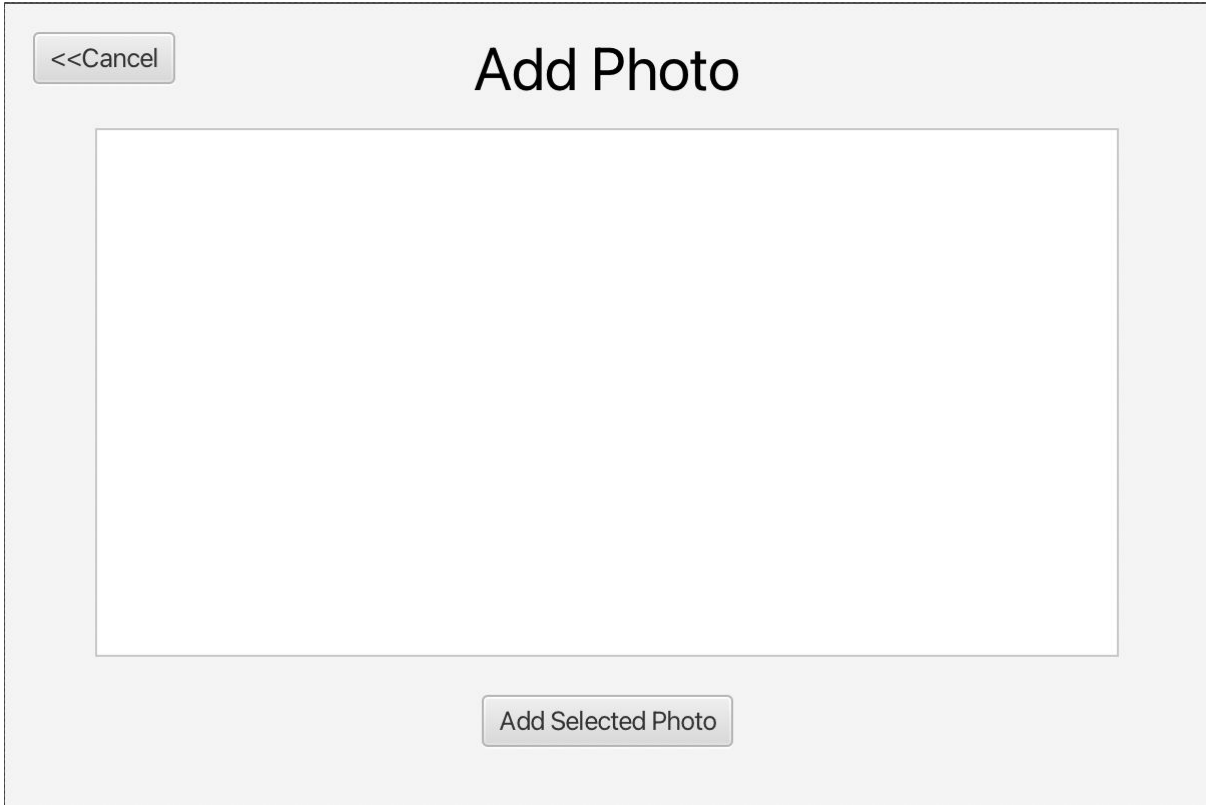
Popup to confirm deletion. Stay in window.

[10]

Slideshow will happen in this window.

Add Photo [9]

[8]



Blank space will display photos available to be added.

[8]

Copy/Move Photo [10]
